

BUS SEATING PUZZLE

Find a way to place all the students on the bus which matches the given clues.

How far can you get?

CLUE #1

Taylor is driving
the bus.

CLUE #2

Olivia is three seats
behind Lily.

CLUE #3

Josephine, Emma, and
Madison are in the
same row.

CLUE #4

Alice and Rose are
either together or both
by themselves.

CLUE #5

Every teacher (except the driver) is sitting next to a student.

CLUE #6

Nova is directly behind Lily and Emma is directly behind Sarah.

CLUE #7

The seats in front of Brooke and Sarah are empty.

CLUE #8

Alice is directly in front of Zoey and Zoey is directly in front of Madison.

CLUE #9

If two people sit together, the person on the left has a name earlier in the alphabet.

CLUE #10

Harper, Zoey and Brooke are all sitting at a window.

CLUE #11

Brooke and Olivia are either together or both by themselves.

CLUE #12

Nova is sitting in a row with four people.
